

BUDGET TERMS & CONDITIONS

EGYPT

last updated on 15 April 2026

Please read these Country Specific Conditions ("**Country Conditions**") alongside the General Conditions of Rental (the "**General Conditions**") before you sign the **Rental Agreement Form**. The Rental Agreement Form will include all of the important information about your specific rental. It is important to us that you enjoy your rental experience and that you have all the information you need. It might take you a little time now, but it could save you time later.

These Country Conditions are set out as follows:

Part 1	Important (country specific) information about your rental and booking. This includes information about types, payments, cancellations, refunds, costs you may be required to pay and details about your responsibilities before, during and after your rental.
Part 2	Important information about optional extras (including additional waiver and protection products) we (or our partners) offer. You can select these to form part of your rental, and you can add these to your original booking, or you can add them at the time of pick-up (or in some cases, they may be automatically included). All optional extras you select will be detailed as part of your Rental Agreement Form, including the price payable.

PART 1 – IMPORTANT TERMS RELATING TO YOUR RENTAL AGREEMENT WITH US

1. RENTAL PROVIDER

Who we are.

Unless otherwise stated on the Rental Agreement, in **EGYPT**, the company that provides you with a rental vehicle is **Intercar Touristic Company, 7 El-Nozha St., Buildings of Saudi Egyptian Developers Company, Nasr City, Cairo** ("us", "we", "our").

Please note that this company may not be the same company that you made your booking with.

2. BOOKINGS, PAYMENTS, CHANGES, CANCELLATIONS & REFUNDS

Booking Types and Payment

'Pay Now' bookings

If you make a **'Pay Now' booking**, the amount you will pay at the time of booking is the total vehicle rental price together with any pre-payable optional extras*.

The driver and mode of payment shall be finalized at the time of reservation and cannot be changed. The confirmed credit card should be valid and available for presentation on collection of the vehicle. All extra costs that occur during the car rental will be charged to this credit card.

A refund shall not be issued for non-collection; vehicle being collected late or returned early.

** Some pre-booked optional extras cannot be pre-paid, meaning that they will be classed as a "Pay at Location" booking.*

'Pay at Location' bookings

If you make a **'Pay at Location' booking**, you will be making a reservation for the vehicle (and optional extras) now, but you will not need to pay anything until later.

Please note that Budget will undertake an active card check to validate the payment card provided as part of a "Pay at Location" booking. No amount or pre- authorization is, however, taken at this stage.

IMPORTANT INFORMATION - "Pay at Location" prices for vehicle rental (and optional extras) may be more expensive than 'Pay Now' prices.

Cancellations

If you make a "Pay Now" booking, our refund policy is more restrictive than the one that would apply if you make a "Pay at Location" booking, and you may not have the same options to cancel if you change your mind or need to make changes to your booking. Please see the section below titled "Cancellations" for more information, as this may affect your payment option.

What happens if you don't meet the Rental Requirements

If you do not meet the Rental Requirements (see Section 3), you may not be permitted to enter into the Rental Agreement and applicable cancellation terms may apply.

Please note that you are under an obligation to notify us in the event that your eligibility to drive your selected vehicle and/or meet the Rental Requirements changes between the time you make your booking and when you collect the vehicle.

Other reasons why you may not be allowed to rent the vehicle	In addition to the above, you may not be permitted to enter into the Rental Agreement in the following circumstances: • The rental location may, if allowed by law, refuse to rent the vehicle to you if you or any person making payment owes any money to them or any other member of the Budget Rent A Car System or another Budget group company. • If any information you have given is shown to be false or inaccurate. • If you or anyone in your party behaves in an unacceptable way, e.g., if the rental provider believes that any driver is under the influence of alcohol, drugs or other substances, or you, or anyone in your party, is abusive or threatening to their staff or customers; or • You have previously been informed that you are prohibited from making a booking with us and/or renting a vehicle from the relevant rental provider (e.g. where there have been reasonable grounds to include you on our 'Do Not Rent' list). In the circumstances listed above, you will be required to pay a fee (please see the 'Cancellations' section below for details) and may be required to pay for any additional reasonable costs and/or damages incurred by us as a result of your wrongdoing. You may also not be permitted to enter into the Rental Agreement if the specialist fitter of a vehicle is concerned about a driver's ability to use the hand controls (where relevant).
Changes to your booking	<u>How to change your booking</u> You may change the following parts of your booking before the day you are due to pick-up the vehicle by calling our customer support team or managing your booking online (if available): • Pick-up date. • Drop off date. • Pick-up collection point. • Drop-off collection points; and/or • Additional optional extras you would like to add to your booking. All change requests made before the day you are due to pick-up the vehicle will be subject to availability. There is no charge for making a change if you make the change within this time, but the change may result in a price change (see below). We will send you a revised booking confirmation email confirming your updated booking details (including any changes to the price paid or payable, depending on your booking type) to the email address you provided. Please note that if you originally made a booking for a Budget Select Series vehicle and you change the location to one that does not offer Budget Select Series, you may not be able to get your chosen make and model. <u>Price changes</u> Permitted change requests may result in a price change, as the revised booking will be charged at the prices available at the date of the change. • If the changes result in the amount due for the booking being more than the amount you paid us, you will need to pay the difference (or in the case of a "Pay at Location" booking, agree to pay the higher amount); and • If the changes result in the amount due being less than the amount you paid us, then we will either: (i) refund you the difference (if you opted for a 'Pay Now' booking) *; or (ii) only charge you the revised lower amount (if you opted for a 'Pay at

	Location’ booking). <i>* In these circumstances, please contact our Customer Services team for a refund.</i> If you ask for a change, our team will confirm the impact this will have on the price before they ask if you would like us to proceed with processing your request, to make sure you can make an informed decision on whether to make the requested changes to your booking.									
Cancellations, No-Show and Failure to Rent	<u>Our goodwill cancellation policy</u> You may cancel your car rental booking at any time before the day you are due to collect your vehicle by calling our customer support team or managing your booking online (if available). Depending on when you cancel, you may be charged a fee to cover the anticipated reasonable losses we will incur as a result of your cancellation. By agreeing to these Booking Conditions, you give us permission to charge your payment card these amounts (or where relevant, retain them). The fees we charge are detailed below: <table><tr><th>Notice of Cancellation</th><th>‘Pay Now’ booking</th><th>‘Pay at Location’ booking</th></tr><tr><td>48 hours or more before the day your rental was due to begin</td><td>No fee charged. Refunds	- In the event that a refund is not automatically processed (where relevant), please contact our customer services team in writing to request a refund; and - It can take up to 20 days for your card company to process a refund. We are not responsible for how long it takes your card company to process a refund.			
Optional Extras Cancellation	You are permitted to cancel any optional extras you have added to a booking up until the point at which you enter into the Rental Agreement. You will not be charged any costs for cancelling optional extras. If you have pre-paid for an optional extra when making a booking, please contact our Customer Services team to request a refund in these circumstances.			
Availability	<u>Vehicles</u> If there are no vehicles available in the group you booked, the rental location will try to find you a vehicle from a higher group at no extra cost. If they can only find you a vehicle in a lower group and you agree to rent this vehicle, you will only be charged for the value of that vehicle. If you have already paid, you will be entitled to a refund of the difference. If your refund is not automatically processed, please contact us with your booking reference number for a refund. If you have booked a larger size vehicle or a certain adapted vehicle and it is unavailable, to get you on your way, the rental location may provide you with more than one vehicle or suggest you use alternative transport until they can get a suitable vehicle or a vehicle in the group requested to you. This rarely happens, but if no suitable vehicles are available, you will of course be entitled to a full refund of any amount you've already paid (and in certain circumstances, may be entitled to reasonable compensation – for example, to secure alternative transport – see the section titled "How we will be responsible to you" below). <u>Optional Extras</u> It would be unusual for the rental location not to have an optional extra you pre-booked. If it does happen, they will try to get one from another rental location. If this is not possible, the rental location will (at their option, albeit acting reasonably): buy a new one for you, ask you to buy a reasonably priced one from elsewhere and reimburse you the price paid or refund you the cost of the pre-booked optional extra. If you agreed to buy the optional extra from elsewhere (and we have reimbursed you the costs you have incurred purchasing it), you will have to give it to us when you return the vehicle.			

Use of your personal information	By making a booking, you expressly agree to us processing your personal information for as long as the law allows us to as set out in this section. <u>What we will use or process your personal information for</u> We will use (or process) your personal information in order to: • request the reservation of the rental services to you. • carry out relevant identity, security, driving license and credit checks. • maintain and improve our administration and management of our services; and • send you information about similar goods and services that we think will be of interest to you if the law allows us to do so. <u>Who we may share your personal information with</u> We may share your personal information with: Government, Regulatory or Law Enforcement authorities, such as the police or local authorities and municipalities if we consider they have a right to the information and the law allow us to do so or to verify the validity of your driving license or to take action regarding illegal activities.

We recommend you fill up as close to the return location as you can on the return date and keep the receipt to show us. If you don't return the vehicle with a full tank – and you can't show us a receipt for fuel – we will charge you.

We charge a fixed amount dependent on the battery life showing on the factory-installed battery gauge. This is the "Pay on Return" rate. The amounts charged are set out below:
